TABLE 9
LIBRARY SYSTEMS—
OPERATING EXPENDITURES BY PURPOSE

SYSTEM	Personal Services	Library Materials	Other Expenses	Total Operating Expenditures
Trail Blazer	$32,976	—	$17,204	$50,000
Bayouland	51,670	—	19,440	71,110

Report covers Federal Fiscal Year, October 1981-September 1982.

DEFINITIONS

Ad Valorem Tax—tax collected from the taxpayer on property not covered by homestead exemption.

Art Print—framed picture print.

Bibliographic volume—the unit established as a volume by the publisher of magazines or newspapers.

Bookmobile—a mobile unit that serves as an auxiliary library with a permanent staff and a regular schedule.

Bookmobile Stops—the number of places at which bookmobiles stop to provide library service.

Books—items which are cataloged, shelf-listed and shelved as books. Does not include pamphlets, clippings, pictures, documents, maps, telephone books, college catalogs, etc., unless they are cataloged and shelf-listed. Films and recordings are counted separately.

Branches—public service outlets in quarters separate from the central library, with permanent collections of books, permanent paid staff and regular schedule. Branches are administered from a central unit.

Bulk Loans—loans of books to hospitals, factories, stores or other stations where revolving collections are maintained by the library but circulated by the group or institution. Books are counted as volumes lent when sent to stations.

Capital Outlay—expenditures for building construction or major remodeling including original furniture, equipment and books; also including additional bookmobiles. Does not include maintenance or replacement of existing furniture and equipment, nor items such as typewriters, files, etc., purchased as part of maintenance expenditure.

Central Library—that point of service where the principal collections are kept and handled.

Consolidated System—see System

Deposit Stations—public service outlets in hospitals, stores, factories, or the locations open throughout the year at certain designated times with revolving collections from library book stock. Materials are counted as Bulk Loan transactions when placed in the deposit station.

Federal Funds—all funds from federal appropriation including cash grants received from the State Library and those received from a non-consolidated library system, Federal Revenue Sharing, Man Power Programs, etc.

Federal Revenue Sharing—money appropriated by local governing body from the State and Local Assistance Act. This act provides state and local governments with the money to deal with community problems at the local level. Libraries are one of the eight priority expenditures listed in the act.

Films—motion pictures. 16mm and 8mm are reported separately.

Gifts—money received from individuals, organizations or foundations
a. for operating purposes with or without restrictions as to its use
b. for capital outlay
c. for investment to produce operating income.

Head Librarian—Administrative Librarian in charge of the library.

Interlibrary Loans—all items lent to or borrowed from other libraries in response to title, author or subject requests including books (volumes), films, recordings. Includes photocopy counted as if the physical unit were lent or borrowed rather than number of pages of photocopy furnished.

Librarian—person holding fifth year degree in Library Science (Bachelor's or Master's degree) from an accredited library school. This conforms with Asheim's proposal adopted as policy by A.L.A. in 1970, and by L.L.A. in 1975.

Library Associate—person holding college degree. This conforms with Asheim's proposal adopted as policy by A.L.A. in 1970, and by L.L.A. in 1975.

Loan Transaction—the lending of any material for use outside the library.

Local Government Receipts—all money received directly from municipality, parish or regional taxing unit.

LSCA—Library Services and Construction Act is the authority under which federal funds for libraries are appropriated to the U.S. Office of Education and administered by the State Library.

Microforms—any of the microcopy formats by which printed material is reduced and which require special equipment for reading such as microfilm, microfiche, microcards etc.

Non-consolidated System—see System.

Operating Expenditures—disbursement of funds from all sources (including federal funds) for non-capital purposes.

Operating Receipts—excludes receipts for capital outlay, value of contributed services, value of gifts or materials or equipment.

Other income—receipts not reported elsewhere.

Other Materials—specialized library materials printed or nonprint which are purchased from funds budgeted for library materials including filmstrips, slides, sheet music, art objects, video tapes and microform not reported elsewhere.

Payment in Lieu of Taxes—revenues received from business, industry or public housing authority which pays a fee for land use, etc. but is not on tax rolls.

Periodical—a magazine or newspaper.

Permanent Collection—books and other materials including those on permanent deposit from State Library or other library agency.

Primary Service Area—the geographic area served primarily by reporting library or consolidated system. Does not include area or population to which service is extended by cooperative arrangements such as Non-consolidated Systems.

Recording—audio-tape, cassette or disc.

Revolving Rented Collection—books from rental companies.

Severance Tax—income from severance tax which, though collected by the state, is distributed by local governing body. Severance tax is levied on all natural resources severed from the soil or water.

State Revenue Sharing—money which comes from the state to the local governing body to the library to replace taxes lost as result of homestead exemption. The amount distributed is based on a formula taking into consideration population and the number of homesteads in each parish.

State Revenue Sharing Excess—money appropriated by the local governing body from state revenue sharing funds received in excess of amount necessary to replace taxes lost as result of homestead exemption.

System—organization of library institutions as distinguished from a library consisting of more than one service outlet all within a single municipality or parish.

Types of systems include:

a. Consolidated Library System crossing parish lines; governed by a single board of trustees; administered by a single head librarian; and within which all of the service outlets are branches of a single institution.

b. Non-consolidated Library System composed of two or more autonomous member libraries; each with its own board of trustees; controlled by representatives of member libraries; and operated from a designated Library Center under the supervision of a system director. It receives special financial support from local, regional or State appropriations to provide more comprehensive library service in the geographical area served by the system.

Work Week—number of regular working hours per week for a full-time staff member.

TABLE 8
